

Dust Sample Submission

DustCheckup™ Surface Contamination Analysis

Please note that we require a separate submission form AND tape lift sample for EACH test.

Please cut out the return shipping label below and affix to an envelope using clear plastic tape over the entire label.

Customs Declaration: Harmless material sample with no commercial value.	Technology Care GmbH Birmensdorferstrasse 467 8055 Zurich SWITZERLAND
---	--

Cut out the order form below and insert in an envelope together with the sample. A photo of the sample and submission form will appear in your lab report. When your sample arrives at our laboratory we will email you a quote based on the test you select. After receiving payment, we will analyze the sampler and email the lab report within two working days.

Cut Here

Dust Sample Submission Form
