

DustTox™ Toxic Dust Test Kit

Use of this product subject to TERMS at www.technologycare.com
© Technology Care LLC - All rights reserved - Intl. Patents Pending

DustTox™ is a simple and reliable kit that measures harmful substances in surface dust, which can affect indoor air quality and human health.

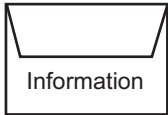

Kit Contents: Dust sampler, instructions, intl. post paid sampler return mailer. Kit price includes lab report.

1

Remove sampler from bag and collect dust samples from different locations such as floors and furniture. Reseal sampler in the bag.

2

Fill in the information on the back of the mailer and send to our lab. We pay international postage! The lab report will be sent by email.
